RE: SIGNATURE Permanent Display Implementation/"Pack Blocker" Placement

Please send me an update via E- Mail regarding the status of placement of the new SIGNATURE Permanent Display and "Pack Blockers" on the Savings Display and Permanent Display in all Hess Marts (0353-03-00) and Hess Co-Op's (0353-02-00) in your respective Divisions.

As information, I have received voice mail messages from some Reps with Hess Locations that did not receive the display. These locations were in turn forwarded to Tripifoods or McLane for immediate handling.

I can be reached at VM 43778 or 800-258-7922.

Thanks for your help!
